

# BREMERTON RACEWAY

OWNED AND OPERATED BY THE HANDLERS RACING ASSOCIATION SINCE 1959

## Racer's Corner

Well, another racing season is in the record books. It was a fun year even though we had too many rain outs! Thankfully, James Empey is recovering from his injuries sustained when the throttle stuck on his motorcycle. We hope to see him at the banquet.

Several of our racers are in contention for the divisional titles. In Top Sportsman, Daryl Hemley, who is in 3rd place after his Medford Divisional win, will journey to the Vegas Divisional trying to overtake #1 Bob Matthews an #2 placed Randy Johnson. Both Bob and Randy have raced their seven events, being at the mercy of Daryl's rounds in Vegas. Mike Montoney and Nick Axtman will crew for Daryl. Leeland King is in first place for the motorcycles. Good luck to Leeland and Kim at the Vegas Divisionals. Tony Hernandez is in 1st place by one point in Super Street. Tony must do better than Niki Cannon in Vegas to win the championship!

Congratulations to Land of the Leaders Challenge winners Jim Funderburg, Motorcycle, Robert Zurbrugg, Super Pro and Tony Hernandez, Super Street.
