

BREMERTON RACEWAY

RULES CLAIFICATION

It has come to my attention that some track rules pertaining to bracket limits are not being followed and/or enforced.

Therefore, I have made some adjustments to the bracket limits and this is your notice that you CANNOT dial out of these limits.

Super Pro	4.30 to 7.50
Pro	5.60 to 9.00
Sportsman	7.50 and slower
Motorcycle	4.50 and slower
High School	7.00 and slower
Jr Street	9.00 and slower

In addition, all racers must be legal for the ET that they run. That means if you run quicker than 8.60 you must have a legal helmet. Quicker than 7.35 requires a roll bar, jacket, and SFI seatbelt. Quicker than 6.40 requires the car and driver to be 9.99 (1/4 mile) legal.

These will be enforced from now on.
