All of us in the New family and our staff are gearing up for one of the great sportsman events of the season - the **Summit E.T. Finals** over Labor Day weekend.

Since 1978, the Team Finals as it was originally coined, has been hosted by a wide variety of facilities throughout the northwest and Canada. We at Firebird look forward to welcoming all our friends in racing from upwards of eighteen tracks from throughout the Land of the Leaders.

From the start of parking on Wednesday and continuing through the main event on Sunday, it will be literally five fun-filled days featuring many of the top Division 6 racers and tracks from Washington, Oregon, Montana, Idaho, British Columbia and Alberta.

See you soon, the **New Crew**
