### **Run order for Time Trials**

Friday – Sportsman, High School, Jr. Thunder, Jr. Lightning, Pro, Jr. Street, Super Pro, Bike/Sled  
Saturday – Sportsman, High School, Jr. Thunder, Jr. Lightning, Pro, Jr. Street, Super Pro, Bike/Sled

We will make our best effort to give every racer 2 time-trials on Friday and one on Saturday. If you are competing in the Gambler race and lose 1<sup>st</sup> Round you will be allowed to run your second time run with the non-gamblers. If the need arises, we will have a special session Saturday morning for the Race of Champions participants, and then fill in between ROC rounds with the remainder of competitors.

### **Gambler Race**

On Friday there will be a Gambler Race. There will be 7 classes: Super Pro, Pro, Sportsman, Motorcycle/Sled, Jr. Thunder, Jr. Lightning, And Jr. Street. Entry fees: Super Pro - \$100; Pro - \$100; Sportsman, Bike/Sled, Jr. Thunder, Jr. Lightning, Jr. Street - \$60. The Gambler Race will begin first thing Friday morning. If you are eliminated in the first round of the Gambler race you may get a second time run with all non-gamblers. Once a person has had two runs down the track your day is complete. The exception is for those Gambler racers that are still in competition after the second round.

### **Team Championship/Track Manager's Challenge**

Saturday's Track Manager's Challenge will award one point per round won in all seven classes. Sunday, each participating track will be awarded one (1) point per round won in the six contested classes. The team with the highest point total will be crowned the Northwest Division Team Champions.

### **Race of Champions**

Each track may send up to six representatives in Super Pro, Pro, Sportsman, and Sled/Bike. In addition, a Wild Card (7<sup>th</sup> racer in each class) is permissible and may be randomly drawn from the pool of racers who have perfect attendance at each participating track. The winners of this race will be eligible to attend the NHRA National Championship race and compete for the Summit Racing Series National Championship and an additional \$5000 National Champion Bonus.

### **Contingency Decals**

The NHRA Trailer will have a very limited supply of these. All racers are encouraged to have and/or get decals from the manufacturer prior to the event. Decals must be on vehicle for duration of eliminations. The contingency verification will take place after the race, but will be checked against photos from earlier rounds to see that decals were in place.

### **Contingency**

Saturday ROC Winners and Runner-Up finishers in Super Pro, Pro ET, Sportsman, and Bike/Sled are eligible to receive Contingency money from participating Contingency sponsors. Racers are responsible for having any necessary product stickers and any other supporting information required by the individual paying contingency sponsors.

### **Oil-Retention Devices**

All racers in cars running quicker than 9.99 seconds in the quarter-mile or faster than 135 mph, must have an oil-retention device equipped.

### **Pairings and Lane Assignments**

- All classes will be called to the lanes in sessions. Each team will be assigned specific lanes and sessions throughout the event. From those assignments, a random draw will be made to pair the lanes for each elimination round.
- The driver in each class with the best reaction time during the first time-run on Saturday will earn the potential bye for first round on Sunday. During subsequent rounds, the best winning reaction time will have earned the potential bye for the following round. For the Race of Champions, the first-round bye will be based on a random draw, with the best reaction time earning the bye in following rounds.
- Drivers will come up in their preferred lane. All efforts will be made to keep racers from same tracks apart. Any lane disputes will be settled by coin flip at the head of staging.

### **Team Captains**

Each team is allowed 2 team captains. Team captains will handle any and all questions that arise during the event. The Firebird's Race Control Tower will be restricted and limited to only essential NHRA and Firebird race officials for this year's event. Should a captain have a question please reach out to a D6 team member or Firebird official at Pit Control. Division Director's ruling in any dispute is final.

### **ET Finals Rules and Regulations**

- **Each competitor is required to run the series decal for the duration of eliminations (Juniors require the Summit Jr Series decal).**
- All racers planning to participate at the 2020 Summit E.T. Finals will be required to register online for the event.
- When registering online for the event, you will also be asked to fill-in the Online Tech Card and the Online Waiver and Release in advance of the event. In lieu of no on-site specific tech inspections, random spot checks may likely be conducted throughout the event.
- All classes, with the exception of Bike/Sled, will be run on a five-tenth full tree.
- Team designator must be displayed on the driver side lower portion of the windshield, top of the cowl on dragsters and on the headlight for motorcycles.
- Deep staging will be allowed, but it may not be written on the vehicle, nor will the starter make any changes to the starting procedure for those deep staging. Those deep staging assume all risk and must get in first as Autostart will be on for ALL categories.
- Bike/Sled will run on a split tree. Racers wanting a Pro Tree must put a P at the end of their dial (i.e. 9.00P). Look for a " – " on the scoreboard prior to your dial-in.
- CrossTalk will be used in Super Pro only. Racers not wanting CrossTalk need to place an "N" at the end of their dial-in (i.e. 9.00N). Look for a " – " on the scoreboard prior to your dial-in.
- No passengers will be allowed in any vehicle during time trials or competition (exception: Jr. Street).
- Dial-ins and numbers must be on the front, left side, and rear windows
- Shoe polished numbers are only allowed in Sportsman and High School.
- Dial-ins must be displayed prior to leaving the head of staging lanes and entering the ready area and may not be altered beyond that point unless conditions warrant it and it is permitted by event director.
- Once a driver **pre-stages** their vehicle, they have accepted the conditions of the race (Dial-Ins, cross-talk, and tree type). Re-runs will not be granted.
- Excessive braking may be grounds for disqualification. Starter and/or Event Director will have final authority on issuing a warning or an expulsion. If a warning is issued, any subsequent infraction will be grounds for immediate disqualification.
- Any racer or crew member found to be under the influence of alcohol or other substances, during racing hours, will be immediately excused from the event and the facility.

- To compete at the Summit E.T. Finals a racer must have competed at a minimum of two Summit events (in any class) at the track they will be representing.
- Racers may only compete for one team at the Finals.
- Penalties will be enforced should one team vandalize another team's pit decorations.
- No artificial noise-makers allowed.
- A driver may compete in a maximum of (2) classes. (Junior Racers are permitted to race in 2 ET classes in addition to their Junior class if the position on the team is earned.)
- If you are racing in a car running quicker than 14.99 please do not use antifreeze in your vehicle. Antifreeze is very difficult to clean up and excessive delays could cost your fellow competitors valuable time on the track.

### **Pit Vehicles**

Team captains are responsible for policing their team's pit vehicles for improper use and no motorized pit vehicles are allowed from sunset until 1 hour prior to racing resuming the following day. All riders must be licensed and a minimum of 16 years of age.

### **Pit Areas**

Each team will be designated a specific pit area. We ask that all participants curtail any noisy activities at 10:00 p.m. (including music, race engines running, etc.) on any night. Please also be respectful of the facility and use trash cans to dispose of any trash prior to leaving the facility.

### **Special Awards**

We will award special awards to the Best Appearing vehicle in Super Pro, Pro, Sportsman, Bike/Sled, and Jr. Dragster. Best Engineered will each be awarded to one racer on Sunday. The NHRA Certification Team will select these award recipients.

### **High School Eliminator**

Open to any student that has attended high school during the 2020/2021 calendar year. NHRA Membership/License (Grade 7) is required. High School racers will also be able to enter either Pro or Sportsman on Sunday. No Motorcycles or electronics allowed. If Saturday's race is rained out, High School will be contested on Sunday. If that happens, High School competitors can only run one class with one car, and must race a separate vehicle in Pro or Sportsman.

### **Jr. Dragster**

Jr. Dragster drivers are eligible to make runs during the Test & Tune on Thursday. Friday is time trials and a Gamblers race. Saturday is the Race of Champions (Division Champion) and Sunday the Jr Dragsters will compete with their Team for the Team Championship. Each track may send up to eight (8) drivers. Racers will be split into Lightning and Thunder classes based on age. A driver who started the season as a 12-year-old but turned 13 during the season can run in Thunder but cannot dial quicker than 8.90.

### **Restricted Area/Startingline**

Only NHRA employees, track employees, and racers/crew in competition are permitted in competition area (from the burnout box area forward). Mascots and team cheering is not permitted on the startingline.

### **Class Changes, Multiple Entries, Multiple Drivers**

If you need to change from one class to another, please notify the tower. During each day, each car can only have one driver, and each car can only compete in one class. A possible exception to this is when a High School racer shares a car with a parent. In that case, the parent or student (not both) can run time trials on Friday, the student would compete in High School on Saturday, and the parent would compete on Sunday. Under no circumstances can a car make multiple runs in a time trial session, regardless of who is driving. Drivers are allowed to compete in multiple classes provided they have a separate car for each class.

### **NHRA Membership Required**

All competitors must be NHRA members in order to participate. All competitors must also have a valid and current NHRA competition number.
