

Et Finals Tech Card Online

Below are the Tech Card links for your racers to fill out. Just as last year, racers WILL NOT line up in a tech line prior to the event. They will need to fill their tech info in prior to running down the track. (We will have tech inspectors going throughout the lanes during the event)

- **Tech card for ALL Summit ET "Big car" classes (This includes Jr Street)**

- **Junior Dragster Tech Card (Jr Street will fill out the "Regular Tech Card")**

If you have racers confirmed for ET Finals, please have them start submitting these now. There's no reason they have to wait till they arrive at the event.
