We will open the gates at noon on Friday, June 19, and have the test and tune start at 2:00 pm. A gamblers race and the Friday night High School race will start around five or so.

Saturday will be a point race for all classes and will include Super Comp, Super Gas, Super Street, Super Quick, and STK/SS Combo.

Sunday will be a point race for all classes and will include Super Comp, Super Gas, Super Street, Super Quick, and STK/SS Combo.

Don't forget to sign up for points. You can sign up for points by using the form on our website and mailing the completed form to me. The address is on the form.

You can still order barrels of fuel, give me a call to set that up.

If you have used slicks that are at least 31" tall, we can use them for the drag tractor
